INVESTIGATION AND ASSESSMENT OF COSTS**

**THIS IS A PROCEEDING TO** investigate the application of City Gas Company filed with the Commission on March 10, 1999, for authority under Wis. Stat. § 196.49 and Wis. Admin. Code ch. PSC 133, to construct facilities and render natural gas service in the Town of Peck, Langlade County, Wisconsin.

City Gas Company is a Wisconsin public utility, as defined in Wis. Stat. § 196.01(5), engaged in the distribution and sale of natural gas to the public, in the City of Antigo and other areas of Langlade County, Wisconsin.

No utility natural gas service is currently being rendered in the Town of Peck, Langlade County.

City Gas Company is proposing to install approximately 8,000 feet of 2 inch plastic gas main and 16 services as part of this project. The project will serve an estimated 16 customers at an estimated cost of \$23,000. The project starts at the intersection of Railroad Drive and Bluebell Road in the Town of Neva, Langlade County. From this point the line proceeds west along Bluebell Road for approximately 8,000 feet where the line ends.

**NOTICE IS GIVEN** that the Commission will investigate the application without hearing.

The Commission considers it necessary, in order to carry out its duties, to investigate all books, accounts, practices, and activities of the applicant. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such an investigation will be assessed against and collected from the applicant in accordance with the provisions of Wis. Stat. § 196.85 and Wis. Admin. Code ch. PSC 5.

Since no unusual circumstances have come to the attention of the Commission which indicate that significant environmental consequences are likely, neither an environmental impact statement under Wis. Stat. § 1.11 nor an environmental assessment is required.
